

Script As If, Sasha, 4 pages

ROLE: SASHA, FEMALE EARLY 20's

INT. SASHA'S HOUSE - HALLWAY/LIVING ROOM

SASHA

What's wrong?

ROB

I gotta go. This is...too much.

SASHA

Rob, hold on, why are you doing
this to me?

ROB

TO YOU!?

SASHA

(Shocked at his rage, then
trying to calm him down)
We were laughing at Jaime and
then...

ROB

Don't worry about it.

SASHA

Ok, so you don't want me to touch
you is that it? Well, I'm sorry
Rob, it just happened, okay?

ROB

Like it did with Chris?

Sasha is taken aback at this.

SASHA

Not at all.

ROB

We finish, then BANG Sasha's with
Chris.

SASHA

That was a big mistake.

ROB

That's probably what you told him
about us, I mean what did I do for
you?

(CONTINUED)

SASHA
(Desperate)
Everything.

Beat.

SASHA
(Sensitively)
Nearly everything.

ROB
(Defensive)
Go on, rub it in, you're such a
bitch.

SASHA
I'm not with Chris anymore!

ROB
I don't wanna talk about it.

SASHA
Well, I do.

Rob turns his head away from Sasha.

SASHA (CONT'D)
I never was "with him."

ROB
(In her face, coldly)
You slept with him. How could you,
didn't we mean anything?

SASHA
I didn't think you wanted me.

ROB
What just cause I didn't want to
have...

Rob can't say sex, it's almost as if the word repulses him.

SASHA
(Sensitive)
Say it.

ROB
(Now defensive)
We didn't work out Sash, just leave
it alone, it's not worth it.

(CONTINUED)

SASHA
It's not worth it?

ROB
You want too much, you're so spoiled.

SASHA
Oh I am, am I? I thought you said I was your Queen, how beautiful I made you feel, how we were made for each other. You told me I was your soul mate...

ROB
(Interrupting her)
Shut up.

SASHA
You can't take it, can you?

Beat.

SASHA (CONT'D)
(Calmer)
Rob, I don't want to argue with you, I just wanna talk.

ROB
Fine, let's talk. So tell me, did you enjoy it with Chris? Was he good?

Sasha is silent.

ROB (CONT'D)
TALK! You must think I'm a real wimp. Admit it, you think I'm a wimp.

SASHA
(Scared by his aggression, her eyes filling up)
I'm really, really sorry. You know, we do stupid things, and OK so I made a mistake, a big mistake, but it's you I want. Talk to me, explain to me, so we can pick up from where we left off.
